

Is your heart as healthy as you think?

Coronary Calcium Heart Scan

Cost	\$69.00 (regardless of insurance)
Place	Ogden Regional
Contact	801-479-2470

Make an appointment for a Coronary Calcium Heart scan. The scan measures cardiac risk and helps assess your future likelihood of having a heart attack.

Many cardiologists believe this is the most accurate test for measuring cardiac risk.

- Non-invasive
- ~15 minutes to perform
- Results mailed to you within 10 days.
 - If you do not receive results within 10 days, contact your provider.
